A Two-Year Bible Reading Schedule

Introduction:

1. This is a Bible reading plan that over the course of two years will allow you to read the entire Bible at least once and the New Testament twice.
2. Reading is “assigned” on five days out of each week and four weeks a month, and will require about 15 minutes each day. Dates are provided as guides only—the program can begin at any time. Mark off the chapters as you read. Use weekends to catch up.
3. For some, it may take longer than two years to complete the readings, but we encourage perseverance to the end. Not all parts of the Bible are as readable and “relevant” as others, but we need to be Bible readers and have a personal awareness of the story of the Bible.
