## **Meditation from A SONG OF HOPE**

(Words: Bruce L Johnson, Music: Peter Hilliard)

There is hope for a people who live in the night:

“Those who walk in the darkness have seen a great light.”

In the gloom of the vale of the shadow of death,

O sleepers, awaken, with new life and breath.

For your light will arise and a new day will dawn,

when the earth will be filled with a heavenly song:

the song angel voices are singing above

—a song of Hope, a song of LIFE, a song of Love!

Break the bonds of the prisoners! Release the oppressed!

As the wounded are healed, and the weary find rest.

Every load will be lifted, your warfare will cease,

and hatred will end in the kingdom of peace.

For the time soon is coming to right every wrong,

As the whole earth is filled with the heavenly song:

the song angel voices are singing above

—a song of Hope, a song of PEACE, a song of Love!

Wait in hope for Tomorrow. Be still, do not fear:

There's an ending to sorrow, a drying of tears.

And Today brings glad tidings of everlasting joy,

So exult at the birth of a baby boy!

Shout the news from the mountains! You who hear, sing along,

Till the whole earth is filled with the heavenly song —

the song angel voices are singing above

—a song of Hope, a song of JOY, a song of Love!
