COVID UPDATE

As you have probably heard, our county is now experiencing an uptick in COVID-19, some of which is due to the Delta variant. Although the CDC has now recommended indoor masking for our county, our state and local governments have not reinstated a masking requirement. We encourage each person to follow their God-given conscience (Rom. 14:5-12), having the continued option of wearing a mask on Sunday mornings. As of now, a mask is not required for anyone at New Life. The elders continue to request your prayers for these decisions, and we thank you for your understanding!

FELLOWSHIP CAFÉ

As one more sign of life reawakening and returning to normal, the Fellowship Café has reopened. Come to the Fellowship Hall between services for coffee, snacks, and the opportunity to reconnect with one another.

Join us after the second service at 12:30 pm for a brief moment of prayer to commemorate the beginning of construction and to commit this project to God.

Note that the save the date information has changed, due to the Life Chain at Abington Hospital being on October 3rd. The fall church picnic is now scheduled for October 10th so as to not conflict. Want to help with the planning? Contact Greg Raysor at graysor@newlifeglenside.com.

DEACON NOMINATIONS

PRAYER CONCERNS

Pray for Chris Bauer's mother Kimberly who has recently been diagnosed with ALS. Pray for her health, for Chris's family as they struggle with her decline due to ALS.

HELP NEEDED

MEALS MINISTRY

One way New life supports our church community is through providing meals for those who have recently had surgery, been sick, lost a loved one, or had a baby. We currently have a couple of families in need of meals for the next few weeks. If you are able to take part in this very practical way of showing the love of Christ, send an email to newlifemeals@gmail.com and our coordinators will show you how you can help.

FOOD CUPBOARD DIRECTOR NEEDED

Big changes are happening at the Food Cupboard. Indoor operations have resumed. More importantly, Bridget Franklin stepped down as Director effective July 1. Under her leadership the Food Cupboard has been remodeled, the food available to attendees has expanded, and we have adapted to the pandemic. Her shoes will be hard to fill, but fill them we must. This is a volunteer position; the new director will coordinate volunteers and handle behind the scenes responsibilities such as submitting food orders and reports to Philabundance. Please contact the Deacon Coordinator at deaconcrd@newlifeglenside.com for more info.

FOOD CUPBOARD PERPETUAL FOOD DRIVE

Current Need: Boxed rice, couscous, quinoa, and other rice sides

Place your donation in the Food Cupboard cabinet outside the Weldon Room or in the designated bin in the Lower Lobby. Please, no perishable food donations.
